

The following digital resources are available free of charge to all Currituck County Public Library patrons with active library accounts. Click a link to access, learn about and register for a Digital Resource:

The [cloudLibrary](#) allows you to borrow and read eBooks from your local public library for free. Navigation and personalization makes it easier than ever to find eBooks from your local public library. This app includes a fully functional reader allowing the user to read their eBook directly in the app, as well as bookmark and save the position of their book across devices.

[RB Digital](#) is the ultimate app for magazine lovers, with digital magazines for iPad,

iPhone, Android, Mac and PC. News may break elsewhere - stories live on RB Digital.

[NC Live](#) gives you the power of your library, online! We give you free access to ebooks, audiobooks, videos, online magazines, newspapers, journals and more.

Learn something local

The [NC LIVE Home Grown eBook Collection](#) is a pilot project which pulls together more than 1200 fiction and nonfiction eBook titles from eight North Carolina publishers and makes them available to all NC LIVE libraries across the state.
