

# National Library Week

## April 7 - 13, 2019

## Ways to Celebrate

- ♦ **Visit your library**—Libraries are centers for creativity, expression and learning; they offer access to the tools, technology, and training essential to the economic and cultural lives of their communities.
- ♦ **Show your support for libraries on Facebook**—during National Library Week show your support for the library by sharing this post.
- ♦ **National Library Workers Day**—April 8, 2019—No tribute to libraries would be complete without a celebration of the talented staff at the Pasquotank County Library and the work that they do for the community.
